Nick,

You should be getting a call later today letting you know it is ok to order out the Tire Ashtrays.

Item # 490733 showed zero available in GATX

Item # 513755 shows 300 SKU's (10,200 ashtrays) available. I need to reserve 30 SKU's (1,020 ashtrays) for SME use at event. Therefore, 270 SKU's (9,180 ashtrays) are being made available for you (Division 1240).

Please let me know if there is anything else I can do to help.

Thanks,

Todd
